NATURAL AND SOCIAL SCIENCES

Education
- Art Education
- Early Childhood Education
- Elementary Education (Grades K-6)
- Exceptional Student Education
- Physical Education
- Recreation and Sport Management
- STEM Education

Engineering & Computer Science
- Biomedical Engineering
- Civil Engineering
- Computer Engineering
- Computer Science
- Construction Management
- Cybersecurity
- Data Science
- Electrical Engineering
- Engineering and Computing Education
- Engineering Management
- Environmental Engineering
- Information Technology
- Interdisciplinary Engineering
- Internet of Things
- Logistics Engineering
- Material Science and Engineering
- Mechanical Engineering
- Telecommunications and Networking

Health Sciences, Nursing, Public Health and Social Work
- Biostatistics
- Dietetics and Nutrition
- Environmental Health Sciences
- Health Policy and Management
- Health Promotion and Disease Prevention
- Health Services Administration
- Nursing
- Social Work

Life Sciences
- Biochemistry
- Biogeosciences
- Biology
- Biomedical Sciences
- Botany
- Cellular & Molecular Biology
- Ecology
- Ethobotany
- Evolutionary Biology
- Marine Biology
- Microbiology
- Neuroscience
- Physiology
- Zoology

Physical Sciences & Mathematics
- Astronomy
- Chemistry
- Environmental Studies & Sciences
- Geography & Earth Sciences
- Mathematics
- Physics

Social Sciences
- Criminology
- Diversity Studies
- International Relations
- Political Science
- Psychology
- Recreation and Leisure Studies
- Sociology
- Sustainability
- Women and Gender Studies
